

# BEST NIPSEY HUSSLE QUOTES

- Been stabbed in my heart so much I learned to smile while I bleed.
- I believe that we should own the fruits of our labor and the assets of our creations.
- One small misunderstanding can show you exactly how a person really feels about you.
- Be a man of your word, do what you say you're gonna do, respect people the way you would like to be respected.
- When you start seeing the most successful people and the most respected people, the next step is figuring out how they became that.
- I just believe in ownership... I believe in investing in yourself... Your foundation should be strong.
