

BEST NEON QUOTES

- Remember... bullets hurt!
- We fight to win!
- Cypher, get their good side. We don't want to be rude.
- That Yoru looks pissed all the time. Honestly, it's impressive.
- Skye, I like morning runs, but morning implies sunlight. No more 4 AM wake ups, you maniac.
- Listen up, kill them before they kill us!
- That Jett is all speed, no skill. She's mine.
- Save it, Jett. I'm not racing you. You'd only embarrass yourself.
- Raze, the plan is... never mind. Just keep blowing them up!
- I know, Sage. Don't hurt myself. But it's a gunfight, so no promises.
- They came all this way... that was stupid.
- Neon: Move or get zapped.
- I'm gonna fry that bot.
- They come with us, we push them back. They don't stop, we don't either.
- Reyna, remind me to never piss you off.
- So Raze, you got a plan? Or are you gonna, y'know, do what you always do.
- For their sake? I'm glad it's over!
- My advice? Don't get shot!
- Stop them please... - thank you.
- Maybe they're pacifists?
- Cypher, I am not kidding. If you take my picture, I will fry that thing. Just try me!
- Oh, my nanay's adobo? You're uh...welcome.
- Save it, Jett. I'm not racing you. You'd only embarrass yourself.
- Enemies in our way? Hope they like getting hit by lightning!
- Please stay alive... I hate making new friends.
