

MEN IN BLACK QUOTES

- Don't tell me we've only got that powdered shit for cream again? —Kay
- All right. I'm in because there's some next-level shit going on around here, and I'm with that. —Edgar
- Everyone thinks their computer problem is the world coming to an end. —Trevor
- God, we're a gullible breed. —Kay
- A person is smart. People are dumb. —Kay
- Okay, okay, but don't say I didn't warn you, man. You just signed your own death warrant. —Obadiah
- Fine, but it's the last one you'll ever hear. —Obadiah
- Dammit, man, you're making me sweat up my gear! —Edwards
- This guy had a serious crush on his cat. —Jay
- Okay, Beatrice. There was no alien, and the flash of light you saw in the sky wasn't a UFO. —Kay
- You don't like it, you can kiss my furry little butt. —Frank the Pug
- I was fishing in Cuernavaca. —Driver
- Why do rats desert the ship? —Kay
- You sold a carbonizer with implosion capacity to an unlicensed cephalopod. —Kay
- There is the action and there is the intention. It is the intention we reward. —Archanans
- Anonymity is your name. Silence your native tongue. —Zed
- I've just been down the gullet of an interstellar cockroach. That's one of a hundred memories I don't want. —Kay
- Where there is death, there will always be death. —Jay
- Silly little planet. I could rule the place with the right set of mammary glands. —Serleena
- Sorry I'm late. The cab drivers on this planet are terrible. —Rosenberg
- With a bug in town? Watch the morgues. —Kay
- We are the Men in Black. —Zed
- Who the hell are you? —Agent Janus
